

LINCOLN COUNTY FOOD RECYCLING PROGRAM

May 2014 ~ Collection Status

- Food Scrap Compost made available 28-May to participants only
 - (1) participant collected 500 lbs
- For the participants we will offer a “pound for pound” exchange for the food scrap compost for the duration of the “pilot program”
 - Totals for “pilot program” tallied effective end-May
 - Email to be sent to all participants stating compost must be picked up by mid-June or notify LC do not wish to receive any
- Will not weigh food scraps effective 1-June – will continue to record number of buckets dropped off.
- Compost remaining after mid-June will be available for general sale.
 - **Recommend pricing of \$40/yard**
- Current Pricing for 2014: Yard Waste Compost
 - \$30/yard
 - \$5/bag (40lbs each)

Participants = 28 assigned buckets
